
Strong Leadership in Times of Transition

By [Charles Galunic](#)

INSEAD Professor of Organisational Behaviour Charles Galunic interviews Statoil CEO Helge Lund, an INSEAD alumnus.

Helge Lund took the helm of Statoil at a turbulent moment in the firm's history. Now, he's overseeing its transformation into an important global player. He joins INSEAD Knowledge to discuss what he looks for in a leader and how a stint as a political advisor prepared him to take on a chief executive role.
