How to Work Out What Your Employees Really Want

By INSEAD Knowledge with Mark Mortensen

A holistic approach to understanding employees’ needs.

From the challenges of hybrid working to the quiet quitting trend, the Covid-19 pandemic has had a seismic impact on the workplace, leaving many companies struggling to understand how best to understand and meet employees' needs and motivations. In this INSEAD Knowledge podcast, Associate Professor of Organisational Behaviour Mark Mortensen proposes a more holistic approach to understanding employees’ needs, while offering practical solutions to ensure that they remain fully invested in their organisation and its goals.
